Dear Andriano Manalu, Istas Pratomo Manalu, Muktar Bahruddin Panjaitan, Ady Frenly Simanullang, Parlindungan Sitorus:

Reviewers have now commented on your paper (attached below this email). You will see that they are advising that you must revise your manuscript. If you are prepared to undertake the work required, I would be pleased to reconsider my decision.

For your guidance, reviewers' comments can be read in your Author online interface. If you decide to revise the work, please submit a list of changes or a rebuttal against each point which is being raised when you submit the revised manuscript.

*****>>>Please be noted that you have up to **2 (two) weeks from now** to revise your manuscript, unless your manuscript will be considered as a new submitted manuscript. If you need additional time to complete your revision, please let us know by replying to this email and informing us of the date you expect to submit it. <<<<*****To submit a revision, please upload your revised manuscript documents to SCIENCE AND TECHNOLOGY INDONESIA online submission interface at (<https://sciencetechindonesia.com>) after you log in as Author. Important: Please indicate the revision as RED-highlighting the revision sentences or words within your revised manuscript.

The revised document files (three files) MUST include:

- One (1) file of Revision Note file in a table form with respect to Reviewers comments including the location of the revision on the revised manuscript.
- One (1) file of Revised Manuscript file according to Template-based format (MS Word file) (please **RED**-color highlighted texts in the revised sentences).
- One (1) file of Graphical Abstract file according to Guideline of Graphical Abstract

GUIDELINE TO UPLOAD REVISION: To upload your revised manuscript, please login to Science and Technology Indonesia journal submission interface (<https://sciencetechindonesia.com>) login using your user and password as usual. **Therefore, click on "Review" and upload to "revision box"**.

For second and continuing order of revision of manuscript, please just add your latest version file(s), do not delete the previous round of file(s) of manuscript.

IMPORTANT NOTE: A GRAPHICAL ABSTRACT of each article is mandatory for this journal. This graphic should capture the reader's attention and, in conjunction with the manuscript title, should give the reader a quick visual impression of the essence of the manuscript without providing specific results.

Choosing/Creating a Graphical Abstract: The graphic should be simple, but informative; The use of color is encouraged; The graphic should uphold the standards of a scholarly, professional publication; The graphic must be entirely original, unpublished artwork created by one of the coauthors; The graphic should not include a photograph, drawing, or caricature of any person, living or deceased; Do not include postage stamps or currency from any country, or trademarked items (company logos, images, and products); Avoid choosing a graphic that already appears within the text of the manuscript. Image size: please provide an image with a size of 500 × 800 pixels (height × width). Preferred file types: TIFF, JPG, PNG, PDF, or MS Office files.

The Graphical Abstracts should be submitted as a separate file during the revised manuscript submission system or otherwise, it can be submitted by email to: sciencetechindonesia@gmail.com

Thank you for submitting to this journal.
